## Dear Hiring Manager

I am writing to express my strong interest in the UI/UX Designer and Web Developer position at your Company. With a background in Computer Science and Engineering, along with a passion for artistic design, I am confident in my ability to contribute effectively to your team's projects.

My proficiency in Java, HTML5, CSS, and JavaScript enables me to create responsive web applications. Coupled with my expertise in UI/UX design using tools like Adobe XD, Figma, and Illustrator, I can craft visually appealing and intuitive interfaces.

I have a solid foundation from Mangalore Institute of Technology & Engineering and completed the Google UX Design Professional Certificate program. Completing the Web Developer Bootcamp 2023 on Udemy further enriched my skills.

Beyond technical skills, I am a creative problem-solver, as reflected in my content creation, painting, and article writing pursuits. These experiences bring a unique perspective to design and development challenges.

I am excited to contribute to Google's dynamic team. With a dedication to learning, a proactive approach, and a passion for exceptional user experiences, I am confident in my ability to make a meaningful impact.

Thank you for considering my application. Please reach me at +91-7899420926 or sabannab100@gmail.com to discuss further.

Sincerely,

*Sabanna*
